

## **Call for Participation**

We invite you to join us in **12th International Conference on Advanced Computing (ADCO 2025)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Computing. The Conference looks for significant contributions to all major fields of the Computer Science and Information Technology in theoretical and practical aspects. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

**Highlights of CSITEC 2025 includes:**

- 11th International Conference on Computer Science, Information Technology (CSITEC 2025)
- 14<sup>th</sup> International Conference on Control, Modelling, Computing and Applications (CMCA 2025)
- 6<sup>th</sup> International Conference on Data Mining & Machine Learning (DMML 2025)
- 14<sup>th</sup> International Conference on Software Engineering and Applications (SEAS 2025)
- 17<sup>th</sup> International Conference on Networks & Communications (NeCoM 2025)
- 6<sup>th</sup> International Conference on Big Data, Blockchain and Security (BDBS 2025)
- 11<sup>th</sup> International Conference on Signal Processing (SP 2025)
- 5<sup>th</sup> International Conference on NLP & Information Retrieval (NLPI 2025)

## **Registration Participants**

Non-Author/Co-Author/SimpleParticipants(NoPaper)

**100 EURO for Online (Without Proceedings)**

**450 EURO for Face to Face(WithProceedings)**
